

ALFREDO LENES GONZÁLEZ

Senior Software Developer | .NET Specialist | Technical Lead

Barranquilla, Colombia · Remote · +57 302 236 5371 · alfredolenes@hotmail.com · linkedin.com/in/alfredolenes

PROFESSIONAL SUMMARY

Software professional with 12+ years of experience developing enterprise solutions, specializing in C#, .NET, .NET Core, .NET 8, WPF, XAML, WinForms, SQL Server, and REST/SOAP API development and integration. Experienced in developing, maintaining, and evolving enterprise applications, contributing to technical analysis, solution design, and complex problem solving throughout the software development lifecycle. Currently performing technical leadership responsibilities, including code reviews (Pull Requests), technical analysis, decision-making, developer mentoring, and the application of development standards and best practices. Experienced with Agile methodologies, Azure DevOps, Git, Bitbucket, Jira, and AI-assisted development tools such as GitHub Copilot.

PROFESSIONAL EXPERIENCE

STEFANINI GROUP — Remote | August 2022 – Present
